

the Cutting Edge

PRESIDENT'S MESSAGE

By Jason Ruebl,
IMR Builders, LLC

Thank you! to everyone who participated in any and all of the events we had in May. Our first annual Rummage sale was a huge success. A special thanks to Dan Schneider for allowing us to use his property and also to our rummage sale committee; you guys and gals did a GREAT job! The Cookout and Casino night was a great time also - even though my wife did loose all her money and some of mine too (good thing it was just play money!)

I hope everyone had a wonderful Memorial weekend and said thanks to a veteran for fighting for our freedom. Without them we wouldn't be able to have our own businesses or be in this great organization in this great country of ours.

We are still getting things together for the September 16th trap shoot at Outdoors, Inc. Don't forget to sign your team up for this great event. Information is available on the website, check it out and register your team early. If you are interested in making any donations to the trap shoot, which are greatly appreciated, please contact Pam at 920-427-2362.

I would also like to congratulate our scholarship winners Codi Klapperich from New Holstein and Matthew Rollmann from Chilton. Codi will be attending the University of Wisconsin-Madison and Matthew will be attending the Milwaukee School of Engineering. We wish them all the best in there future endeavors.

Have a great June and don't forget to "do business with a member".

Jason Ruebl
