

1115 Lisa Lane, New Holstein

#3

Directions From Chilton:

Take Hwy. 57/32 south through New Holstein. Turn right on Jordan Lane. Turn left onto Lisa Lane. The home is located on the right side of the road.

Hans Builders LLC

At Hans Builders we strive to provide customers with quality homes that reflect their lifestyles. Our reputation for quality home construction and carpentry services throughout the last 25 years plus is based on understanding our customers, helping

them envision their "dream home" and then making that vision a reality.

We work closely with each potential customer, providing consulting and design expertise to create a distinctive, yet highly functional home. We help consider their

options during the design process to align plans with their expectations, budget and future needs. Our eye for detail creates unique home environments that express character and distinctive living.

Project Description:

Hans Builders welcomes you to our first Mid-Shores Home Builders Association Parade of Homes. Many years of dreaming and planning created the ideas for this impressive 4,800 square foot home. You will surely be awed as you enter the foyer which features a two-way fireplace with brick archways leading into the great room with a coffered ceiling. The next view will want to take any average cook to the level of gourmet chef with this well planned kitchen and work space. Please enjoy the rest of the amenities this home has to offer as you proceed through the rest of the tour.

Quality Features Include:

- Brick exterior/cement board
- Radiant floor heat
- Open kitchen with sitting area and wet bar
- Butler pantry
- Creative ceilings and archways
- Den with access to master suite
- Master suite with sitting area
- Master bath with large tile shower
- Finished lower level
- Theater room
- Kitchenette/bar
- Bonus room with bath
- Security system
- Elaborate color schemes and textures by interior designer
