Directions from New Holstein:

Take Cty Rd H to Cty Rd G. Turn left onto Cty Rd G to Cty Rd HH. Turn right on Cty Rd HH to address.

Schneider and Schneider Construction LLC welcomes you to our 2015 Parade of Homes showpiece. We are excited to share the fine craftsmanship of our company and subcontractors, and we hope you enjoy your tour as much as we loved creating it!

SCHNEIDER & SCHNEIDER CONSTRUCTION, LLC.

PROJECT DESCRIPTION:

This home is designed for gathering family and friends together in this quiet countryside setting. The kitchen is every cooks dream with the 6 burner Wolf cooktop, commercial hood and stainless steel embossed backsplash. The three season's room with colored epoxied floor offers our clients the opportunity to enjoy the outdoors year round. Schneider and Schneider Construction LLC remodeled part of this home 13 years ago, due to the high quality of product used we were able to reuse product in other areas of this remodel. Cabinets were reused to create a spacious home office for our homeowners that will allow them to keep work separate from the living area. Our client loved their location but wanted a change in the floor plan, we at Schneider and Schneider Construction LLC were able to create a design and give them the home of their dreams.

Schneider and Schneider Construction LLC is proud to be celebrating 25 years of providing high quality craftsmanship as well as our outstanding customer service in the Calumet, Sheboygan, Fond du Lac and Manitowoc County Areas. Because of our long history with our employees, subcontractors and suppliers, we are able to ensure quality materials and service with every job. Schneider and Schneider Construction LLC takes pride in our open communication with customers from the moment our customers call until the project is completed.

As Schneider and Schneider LLC celebrates its 25th year in business, we would like to thank all of our customers for their continued support and for allowing us to be a part of making their visions a reality!
