## PRESIDENT'S MESSAGE

By Kevin Schmitz, K & J Construction and Design, LLC

Hello fellow members, As summer is almost over, we will be starting up our membership meetings again. Is there anything you would like to learn more about? Drop a board member a note and maybe we can get a guest speaker to talk about a subject you are interested in.

Coming in this week will be the Jerry Arenz Memorial Trap shoot at the Winnebago Eastshore Conservation Club. Get a team together to shoot, or just stop out and have a steak sandwich and watch the rest of us miss. Signing up a head of time gives us a better idea of how much food to purchase.

The trap house will be open at 4, with most teams starting to shoot around 5. There will be door prizes, raffles and good eats. Hope to see you there.

Signing off till next month.

Kevin

# 2023 HOME PLANNING GUIDE

## Book Advertising & Sponsorship Packet

### HOME is now more important than ever!

*Homeowners are seeking out features for their homes that improve their comfort, wellness and efficiency.*

It is our hope that the **2023 Home Planning Guide** will provide a direct and immediate benefit to area builders, sub-contractors, and suppliers as it provides the opportunity to showcase the latest homebuilding products and services our area can provide.

“Commitment to community, quality and professionalism is our motivation”

MID-SHORES HOME BUILDERS ASSOCIATION, INC.  
**2023 Home Planning Guide**  
**Book Advertising & Sponsorship Opportunities**

Mid-Shores Home Builders Association, Inc. (MSHBA) is pleased to announce that we will again publish a **Home Planning Guide** in October. Due to the low number of parade entries, MSHBA has decided not to host an in-person Parade of Homes October 20-22. Material and workforce shortages have impacted our ability to host a parade. The **Home Planning Guide** will replace the in-person parade this year, thereby giving homeowners a timely resource that can be viewed in their home or online.

**Why your business should advertise in the Home Planning Guide**

Home is now more important than ever. Homeowners have reevaluated what areas in their home they would like to modernize to fit their changing needs and are looking for the best option for their budget. The Guide will feature articles that educate homeowners on Home Buying, Maintenance, Remodeling, Sustainability and Trends preferred by different generations. It is our hope that the **2023 Home Planning Guide** will provide a direct and immediate benefit to area builders, sub-contractors, and suppliers as it provides the opportunity to showcase the latest homebuilding products and services our area can provide.

**Mid-Shores Home Builders Association Inc.** invites you to participate as an advertiser and/or sponsor of the **2023 Home Planning Guide**. Your support of this media event at any of the following levels will be greatly appreciated

**Home Planning Guide Advertising**

The Home Planning Guide will feature the same high-quality, full color look as in our past Parade of Homes book with a circulation of 18,000 within the area via newspaper (the Tempo and Sheboygan Sun). Additional copies will be available for pickup at member locations and the guide will be available for download on our website. The high-quality, full-color glossy 8 ½" x 11" books will include advertising opportunities which are not limited to MSHBA members. The Parade of Homes Committee has again selected Zander Press, Inc., of Brillion, to design and publish the book. **Please purchase your ad by September 15, 2023 by completing the enclosed advertising contract. All high resolution (300 dpi or better) camera ready ads and advertising copy or prepared layout with camera ready logo and/or artwork should be sent directly to Mid-Shores HBA.** Ads from previous MSHBA Parade of Homes publications are on hand and can be repeated without changes, if desired.

**Premier Media Sponsor: \$1000 MEMBERS, \$1500 NON-MEMBERS – ~~limited to 3~~ – 2 remaining**

Premier Media sponsors will receive a full-page prime location ad in the Home Planning Guide (inside front cover, back cover, inside back cover), name and/or logo representation on the front cover of the guide, and name and/or logo representation on our website and Facebook page.

Thank you for your kind consideration of this opportunity. If you have any questions or would like additional information, please do not hesitate to contact our MSHBA office or a committee member.

Very Truly Yours,

**A NAHB Update from Evan Loukidakis, Federal Legislative Manager**  
 📍NAHB Fighting Back on Jobs Corps CutHouse Appropriators are proposing to cut the Department of Labor's Job Corps program by as much as 30%.

- Why this is important: The Home Building Institute (HBI), in partnership with NAHB, utilizes Job Corps funding to train and place young people in the construction industry.
- The gap: Nearly **2.2 million new construction workers** will be needed to keep up with housing demand over the next three years. Job Corps funding is critical to HBI's mission of workforce education.

We have been actively lobbying appropriations leaders and have had productive conversations on restoring funding.

📍Chairwoman Alicia Huey Testifies Before the Housing & Insurance Subcommittee

**Environmental, Social and Governance (ESG)** is a lens regulators and elected officials use when crafting

policy. What are policy examples of this? Phasing out gas stoves in homes and pushing stringent energy codes.

- The Housing & Insurance Subcommittee invited NAHB to testify to learn more on how these ESG-inspired policies raise housing costs.
- NAHB is pushing back on a number of these initiatives which unnecessarily increase the cost of housing— raising electrical transformer standards, gas stove electrification, broad WOTUS rules, and more.

I want to thank you for your part in advocating for these issues back home.

📍WOTUS: EPA and the Army Corps Work on a New Rule  
**After the Supreme Court struck down** a key pillar of the Biden WOTUS rule, the agencies are now in the process of developing a new rule.

- We're closely monitoring what the new, amended rule will be for two reasons: Will the agencies closely adhere to SCOTUS's ruling? And how quickly will they

begin reissuing permits to the regulated community?

- NAHB will be meeting with the [White House's Office of Budget and Management](#) in the coming weeks to discuss finalizing a clear and legally appropriate rule.

[See recent activity here.](#)

**From WI DNR: Sackett Decision and DNR Nonfederal Wetland Exemptions**

In May 2023, the U.S. Supreme Court decided the case of Sackett v. Environmental Protection Agency (EPA). This decision addressed the limits of what may be considered "waters of the United States." EPA and U.S. Army Corps of Engineers (USACE) are amending the "Revised Definition of Waters of the United States" rule to be consistent with the U.S. Supreme Court decision. The EPA and USACE intend to issue a final rule by September 1, 2023. This process has limited the ability for USACE to issue jurisdictional determinations nationwide. Customers pursuing a non-federal wetland exemption are advised that their project timelines may be affected, as Wisconsin's non-federal wetland exemption review process requires a jurisdictional determination from USACE. If you have questions about potential mechanisms for moving your project forward other than the non-federal wetland exemption process, please contact a DNR Water Management Specialist. In the [DNR Staff Directory](#) select the appropriate county, and type in "Water Management Specialist – Wetland & Waterway" in the subject line.
